Good morning:

I apologize for my delayed response, Donecia.

In light of DPSC's pending Rule 12(b) motion but without waiving any of the defenses and/or other available challenges to DPSC as contained therein, we have no objection to your efforts to amend the petition/complaint aimed at curing the deficiencies raised in our pending motion.

On a separate note, please direct all communications related to this matter to my attention. And you are welcome and encouraged to include my assistant (Allison Faulk) and our associate (Beth Bloch), as well, on all communications related to this matter. Please refrain from communicating with Diane Williams (the Sedgwick claims adjuster/examiner assigned to this matter) now that we have enrolled for DPSC.

Thank you, and have a great day.

Jennie
